

Annwyl Parents / Carers,

As usual, it's been a busy and exciting week here at Knelston Primary School! With spring in the air, we have been making the most of the brighter days, enjoying the fresh air, and admiring the beautiful daffodils blooming around our school grounds. It's always wonderful to see the children embracing outdoor learning and play, and we look forward to even more opportunities as the weather continues to improve.

This week, I had the pleasure of welcoming another Swansea Headteacher for a tour of our school. They commented on how fresh and inviting the school looks, both inside and out, and were full of praise for the positive learning environment we have created. Their kind words are a testament to the improvements we have been making, and I'd like to take this opportunity to thank our staff, pupils, and the wider school community for their ongoing efforts in making Knelston such a fantastic place to learn and grow.

Now that the weather is improving, we are looking to invite volunteers into school to help us develop our grounds even further. If you fancy a bit of painting or lending a hand in any way, please pop in and see us—we would really appreciate the support!

As always, we appreciate your continued support and involvement in school life—it truly makes a difference!

Wishing you all a relaxing and enjoyable weekend. If you're watching the rugby, let's hope for a great game—come on Wales!

We are looking for Welsh speakers in our community who would be willing to come into school and read Welsh with our children. If you or someone you know is fluent in Welsh and would like to volunteer, please get in touch with the school office. Your support would be greatly appreciated and would help enrich our pupils' learning experience.

Seren y Wythnos

A huge well done to our Seren y Wythnos stars of the week! They enjoyed a special treat today—hot chocolate and a chat with Mr. Paynter—as a reward for their fantastic efforts. Each of them also received a prize and certificate as a token of recognition for their hard work and achievements.

We are so proud of them—keep up the great work!

After school clubs

We are pleased to offer a variety of after-school clubs for our pupils, providing great opportunities for them to develop new skills, stay active, and have fun. However, we have noticed that attendance has been very limited.

Unfortunately, if numbers do not increase, we may not be able to continue running these clubs. We would love to see more children taking part, so please do encourage your child to join in if they are interested. Thank you for your support—we hope to see more pupils at our clubs soon!
