

Annwyl Parents / Carers,

Welcome back after the half-term break! It's hard to believe how much has happened in just two weeks. We began with parent consultations on the very first day back—thank you to everyone who attended. We hope you found the meetings both helpful and informative.

Since then, it's been a very busy and exciting start to the half-term. We've enjoyed an inspirational visit from Olympic gold medallist Ellie Simmonds, taken part in a number of class trips, and have already begun planning our Christmas celebrations. The children are buzzing with excitement as we start thinking about festive activities, decorations, and performances. It's wonderful to see them so enthusiastic and ready to take part in all the seasonal fun.

There has also been plenty of building work taking place around the school. Our Foundation Learning area now has a brand-new floor, and the new roof is almost complete. We're particularly excited to see the finished transformation once the updated cladding and roofing are in place—the Foundation building is really starting to take shape.

This week we've also been taking part in Anti-Bullying Week, focusing on the importance of kindness, respect, and celebrating what makes each of us unique. The school was a sea of odd socks as pupils and staff joined in to share the message that it's okay to be different. Through discussions and creative activities, we reinforced the importance of standing up against bullying.

Today is Knelston Does Strictly for Children in Need, and the children and staff looked absolutely amazing arriving in their outfits this morning—I don't think I've ever seen so much glitter! It promises to be a fantastic event for a wonderful cause.

There's plenty more news and updates in this newsletter, so I'll keep this message brief. Thank you, as always, for your continued support—it truly makes a difference.

Dymuniadau gorau,

*J G Paynter*

## Acts of kindness

Today, one amazing Year 4 pupil, Joanie Jones will be doing something truly incredible—she's cutting off a big portion of her hair to donate to The Little Princess Trust, helping children who need wigs during their toughest times.

This act of kindness is a beautiful example of compassion and courage, and we'd love for you to be part of it!

• The big haircut happens tonight in Fall Bay Sports Club at 7pm!

There will also be a raffle, and every donation—big or small—will make a difference.

If you'd like to support Joanie's inspiring journey, here's the link:

## Surprise Visitor

We kicked off our return to school with an incredible and inspiring visit from a very special guest! A huge thank you to the PTA for making this opportunity possible.

Last week, children from Years 2-6 enjoyed an assembly with British Paralympic Champion Ellie Simmonds!

Ellie spoke about chasing dreams, staying determined, and working hard at the things that bring you joy. She shared stories from her swimming career, her experiences at the Paralympics, her achievements, and even her time on Strictly Come Dancing!

She also explained the differences between the Olympics and Paralympics, and brought along some of her medals for the children to see. Did you know Paralympic gold, silver and bronze medals make different sounds when shaken? This helps blind athletes know which medal they've won!

It was a memorable visit, and we hope the children left feeling inspired and full of confidence to pursue the things they enjoy.

## New Flooring!

Our amazing PTA have done it again! They don't just fund the fun extras—they help with the essentials too.

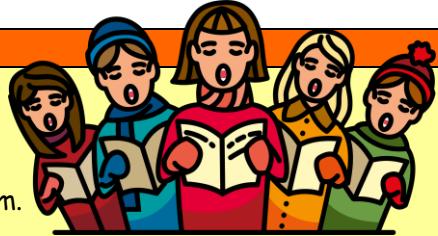

The entrance to our Foundation Phase building had worn flooring that was starting to become a safeguarding concern. Thanks to our incredible PTA, Gower Flooring stepped in over half-term and installed a brand-new floor. It looks fantastic, is safer, and much cleaner for the children—used not just as an entrance, but also during snack time.

A huge thank you to the PTA and to our whole community who support their fundraising efforts. Your dedication makes a real difference to our school every single day!

## Swansea Council's Caroller's Cabin!

Knelston has secured a fantastic slot at Swansea Council's Caroller's Cabin!

We will be taking children from Years 2-6, and any child who would like to participate must attend Friday lunchtime choir club with Mr Smith.

We're really looking forward to this special festive performance and hope to see many of you there to cheer on our talented singers!

## Remembrance Day 2025

On Tuesday, our **School Council** represented the school at the Remembrance Day service at Scurlage War Memorial. The children read a poem they had written and laid a paper wreath, beautifully created by our Year 5/6 pupils from hand-cut designs.

Back at school, we held a special assembly where pupils in Years 2-6 and staff came together to observe the two-minute silence, taking a quiet moment to reflect and honour the bravery and sacrifice of those who served.

It was a meaningful day of remembrance, and the children showed great respect and thoughtfulness throughout the activities.

### "We Remember Together" By Knelston Primary School Council

We walk through fields and feel the breeze,  
It rustles leaves and climbs the trees.  
The sky above is calm and wide,  
We think of those who fought with pride.

We wear our poppies, red and round,  
To show respect, without a sound.  
We think of people, brave and strong,  
Who helped to make right out of wrong.

On Gower's cliffs and sandy shore,  
We feel the wind, we hear the roar.  
It's like a whisper from the past,  
A memory that's made to last.

Our village stands with heads held high,  
We look around, we see the sky.

We know that peace was hard to win,  
And now it lives in us, within.

We learn at school, we laugh, we play,  
Because they gave us each new day.  
We thank them with our hearts and minds,  
And promise to be brave and kind.

So when the silence comes our way,  
We stop and think on this special day.  
From Horton's beach to Fall Bay's light,  
We all remember — and that feels right.

## Friday Enrichment starting back next week

Our enrichment programme is starting again next week, and we can't wait to welcome the children back! It's fantastic to see children from across the school, of all ages, coming together for fun and inspiring activities.

This term, the groups will rotate so all children get the chance to try something new. Here's a quick overview:

- Children are split into four mixed-age groups (Years 1-6).
- Each group takes part in a different enrichment activity each week.
- Over the half term, every child will experience all four activities.
- Non-uniform Fridays continue, making the day practical and fun for the activities.

Our four enrichment activities this term are:

- **Gower Explorers** - thrilling outdoor adventures, including a visit to the Lifeboat.
- **Jewellery Making with Rhossili Gallery & dotJewellery.com** - a truly special opportunity for children to design and create their own unique pieces! A huge thank you to Mr and Mrs Campbell Kelly for sharing their amazing skills and giving up their time to make this incredible experience possible.
- **Art & Design** - creating festive artwork and decorations to get into the seasonal spirit.
- **Music** - continuing from last term, composing, writing lyrics, creating videos, and performing.

At the end of the half term, we'll review activities and create a new timetable to give children fresh opportunities to explore and learn.

Thank you for supporting these exciting opportunities for our pupils!
