'Dream, Believe, Achieve Together'

Newyddion - Friday 13th February 2026

Annwyl Parents / Carers,

As you may know, our school recently had an inspection by Estyn, Her Majesty's Inspectorate for Education and Training in Wales. We wanted to take a moment to thank you for your continued support and let you know a little about what this involved.

During the inspection, the team spent time in classrooms, spoke with staff and pupils, and looked closely at our plans, teaching, and the progress pupils are making. We are very proud of how our pupils and staff represented the school, showing their enthusiasm, dedication, and commitment to learning.

At this stage, we cannot share the outcome of the inspection until Estyn publishes the official report (April 15th). As soon as it is available, we will make sure it is shared with you and accessible via the Estyn website.

While we wait for the report, we remain focused on continuing to provide the best possible learning experiences for all our pupils. We are committed to building on the many strengths of our school and making improvements wherever we can.

Thank you again for supporting our school community and for helping make it such a positive place for learning. For now, we hope you all enjoy a well-deserved and relaxing half term. Whether it's cheering on Wales in the rugby, enjoying some family time, or just taking a moment to rest, make the most of it — you've all earned it!

Dymuniadau gorau,

J G Paynter

Finally...

As always, if you have queries, compliments, complaints, concerns or issues you would like to discuss please speak to a member of staff. If family or friends help with school runs, we'd love for you to share the weekly newsletter with them. Please also make sure we have your updated contact details so we can stay connected!

Thank you in anticipation of your continued support.

Dymuniadau gorau,

J G Paynter

Headteacher
